Total Exterior and Interior Cost:*	\$	15,450.00

*average contracted cost. Actual costs may vary. Self help will reduce the amount.

Prepared by: Jeff Moser, Advantage Home Insp Svcs Date: 10/5/2010

Self Help

Work listed as "self help" means the cost estimate includes only the cost of the materials, not labor or equipment.

Important Information Regarding Permits

All plumbing, heating, electrical, and structural repairs require permits before work can start. Permits are also required for other work such as new siding, new drywall, new doors. Permits are obtained at the Development Center located on the first floor of 809 N. Broadway.

Licensed contractors must do the above work, although owner occupants *may* be eligible to do maintenance work and structural/carpentry repairs.

Owner occupants *may* be eligible to do plumbing work on the unit they live in, but check with the plumbing inspector first.

Generally, minor carpentry repairs, plaster patching, and painting do not require permits.

Anyone disturbing painted surfaces must assume they contain lead paint if the home was built before 1978. Contractors must be licensed to do lead abatement and must obtain a permit. Permits are obtained from the Health Department, located on the first floor of 841 N. Broadway. If you will be occupying the home, you can get free lead-safe training from the Health Department! Call 286-5119 to schedule on-site training.
